Note: Collection boxes are often located inside the main lobby of the station, and are generally available during business hours (M-F) unless otherwise noted. Check with your local police before arriving, as hours and exact locations of collection boxes for each city or jurisdiction may vary. New collection boxes may have been placed since this brochure was printed.

SHARPS DISPOSAL

California law prohibits the disposal of sharps waste—including needles, lancets, and syringes—in the trash or recycling containers.

Sharps waste must be delivered in a puncture- and shatter-proof container with a tight lid (detergent bottle or coffee can, etc.).

To find a location for sharps disposal in the unincorporated areas of San Diego County, go to www.sdhhw.org and click on "Sharps Waste Disposal" or visit www.wastefreesd.org.

* Sharps and needle disposal boxes are also available at the sites listed in this fact sheet indicated by an asterisk (*).

THE RIGHT MEDICINE

- 1) Take an inventory of your prescription and over-the-counter medications.
- 2) Lock up and secure your medicine chest.
- 3) Take your medication EXACTLY as prescribed.
- 4) Have any unwanted medications? Take them to your local Police or Sheriff's Department where prescription drug collection boxes are located, as detailed in this brochure.
